

ZEDI GO UPDATES

Gain more insight with Zedi Go and our new enhancements. Zedi continues to improve our mobile application platform based on your feedback. We're always looking for ways to make your user experience better. We are excited to inform you of the new improvements we've made based on your requests.

What's New in Zedi Go?

- New Alarming Displays under the Map
- Change to orifice plate display for SCADA

When is this happening?

MAY 29, 2017

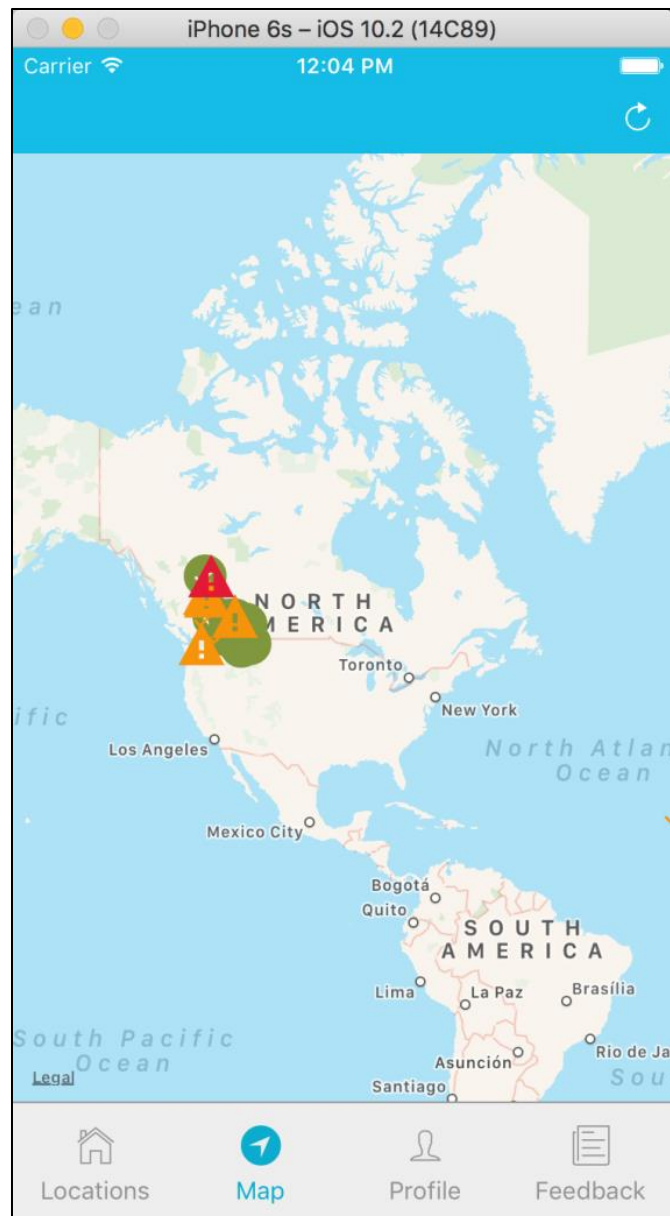

Where can I find this change?

Zedi Go (our mobile app)

**Download the app today from the Apple Store or Google Play!*

Alarms Now Displayed under the Map

- Yellow triangles represent server alarms
- Red triangles represent cry-out alarms

Orifice Plate Change Display - SCADA

- Orifice plate display shows three decimal places now rather than the original two.
